WELCOME TO YMCA SCHOOL AGE CHILDCARE!

Dear Parents/Guardians/Caregivers,

Thank you for enrolling your child into the Cumberland Cape Atlantic YMCA's Before and After School Program. The entire YMCA staff would like to welcome you to our program. Each of us hopes your child's experience with us is a positive one. We all share a common goal – to provide a safe, trusting atmosphere in which your children can grow, be inspired, develop new interests and friendships, and have fun.

The policies outlined in this handbook are what you can expect from the program and what our team members expect for program participants and their parents. In order for your child to have a positive experience in our program, parents and staff must work together. We hope you find this handbook to be helpful.

Some of our standards for the Before and After School Program include:

- Providing a safe, developmentally appropriate environment for your child(ren)
- Nurturing the self-worth of each child
- Developing children's personal and interpersonal social skills, and promote respect for cultural diversity through varying activities
- Providing children with a strong physical, social, and emotional foundation
- Modeling the importance of character development through Caring, Honesty, Respect, and Responsibility
- Homework assistance
- **Healthy U:** this program is designed to promote physical activity and healthy lifestyles in children. Children are given opportunities to engage in fun filled non – competitive structured group games that allow children to engage in physical activity three times a week for 35 minutes at a time using the C.A.T.C.H (Coordinated Approach To Child Health)
- **Reebok (BOKS):** Building Our Kids' Success, or BOKS, encourages children to be the best they can be at fundamental gym concepts such as running, planks, and sit-ups. This Reebok program is designed to give kids a body and brain boost in the morning to set them up for a successful school day.

Your involvement as a parent/guardian/caregiver in the program is extremely important for our continued success. It is vital to keep in touch with the staff after your child(ren) begin participating and to stay informed about their time at the program. All communication with site staff and administration is via the REMIND app. Please sign up upon registration.

We are excited that you have selected our program. Please do not hesitate to call if you have questions, comments, or suggestions.

Sincerely,

Forrie Robinson
Director of School Age Programs

Program Staffing

Ratios

School Age Childcare 1:15

Staff

We are proud to say that we have an exceptional staff at our before and after school programs. Many of our staff are education majors at college or professional teachers, and most staff have a background of working with children. All of our staff must successfully complete a background check, drug test, reference checks, fingerprints, and a Child Abuse Record Inquiry prior to beginning work at the YMCA of Vineland. Staff must also attend 20 hours of annual professional development, which includes CPR, AED, First Aid, state trainings, and Child Abuse Prevention.

Program Rules

Discipline Policy

Our positive guidance policies and procedures will help children learn appropriate behavior. Children are presented with positive models of acceptable behavior. Behavior guidance standards are based upon the developmental needs of the children. Redirection and constructive solution techniques will be used by staff. Children are taught to use acceptable alternatives such as problem-solving and critical thinking skills in an effort to reduce conflict. All children and staff members will be protected and provided a safe and secure environment. Parental cooperation is encouraged and appreciated.

If necessary, the quiet time system will be used. Quiet time removes the child from the situation providing the child time to calm themselves. When they are calm it gives them the opportunity to discuss the situation with a staff member. A child removed will be supervised at all times.

The following behavior is considered unacceptable:

- Abusive language
- Wandering away from group activities
- Fighting
- Continuous disruptive behavior
- Dangerous activity
- Physical abuse of children or staff
- Theft
- Vandalism/mistreatment of property

If a child has a persistent behavior problem and the staff have exhausted all alternatives, a parent conference will become necessary.

Expulsion Policy

Unfortunately, there are reasons we have to expel a child from our program either on a short term or a permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from this center.

IMMEDIATE CAUSE FOR EXPULSION

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parents exhibits verbal abuse to staff in front of enrolled children.

PARENTAL ACTIONS FOR CHILD'S EXPULSION

- Failure to pay/habitual lateness in payment.
- Failure to complete required forms.
- Habitual tardiness when picking up your child.
- Physical or verbal abuse to staff.
- Correcting, reprimanding, or yelling at a child

Program Rules (continued)

CHILD'S ACTIONS FOR EXPULSION

- Failure of a child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical (fighting) or verbal abuse to staff or other children.
- Excessive biting
- Dangerous activity, threats, theft, vandalism/mistreatment of property, possession of weapons, or illegal substances

SCHEDULE OF EXPULSION

- If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child and or/parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center.
- The parent/guardian will be informed regarding the length of the expulsion period.
- The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the center.
- The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to time to seek alternative child care
- Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center

A CHILD WILL NOT BE EXPELLED

If a child's parent/guardian:

- Made a complaint to the Office of Licensing regarding a center's alleged violation of the licensing requirements
- Reported neglect or abuse occurring at the center
- Questioned the center regarding policies and procedures
- Without giving the parent/guardian an adequate amount of time to make other child care arrangements

PROACTIVE ACTIONS THAT WILL BE TAKEN IN ORDER TO PREVENT EXPULSION

- Staff will try to redirect child from negative behavior
- Staff will reassess classroom environment appropriateness of activities and supervision

- Staff will always use positive methods and language while disciplining children
- Staff will praise behaviors
- Staff will consistently apply consequences for rules
- Child will be given verbal warnings
- A brief quiet time may be given so child can regain control
- Child may lose certain privileges
- Child's disruptive behavior will be documented and maintained in confidentiality
- Parent/guardian will be not notified verbally
- Parent/guardian will be given copies of the disruptive behaviors that might lead to expulsion
- Director, parent/guardian and classroom staff will have a conference to discuss how to promote positive behaviors
- Parent/guardian will be given literature or other resources regarding methods of improving behavior
- Recommendation of evaluation by professional consultation on premises
- Recommendation of evaluation by local school district child study team

Program Specifics

Daily Schedule

The following is a sample of a typical afternoon program schedule. Please note that each site will participate in these activities, however times may vary.

- Arrival, bathroom and attendance
- Healthy snack
- Homework or Quiet Activity (Such as reading, crafts, etc.)
- Healthy U, Sanford Harmony, or Group Activity

Homework Time

We allocate approximately one (1) hour for homework on a daily basis. If you do not want your child to complete his/her homework at our program, please send them with a book to read during homework time. If your child needs additional time to complete his/her homework they will be permitted to continue but we cannot maintain a designated quiet area for them to work. If the homework is not done by activity time and will interfere with program quality for the child, and the rest of the children in the program, then the child will be instructed to put their homework away and participate. We are willing to work in cooperation with the parents to help the children succeed. Please understand that the staff will provide homework time, assistance and review their homework agendas; however, we cannot ensure this on a daily basis. So parents, please review their homework agendas every night.

Healthy U Program

The Healthy U Program utilizes the **CATCH** curriculum, **C**oordinated **A**pproach to **C**hild **H**ealth, which offers games that provide at least 30 minutes of physical activity per session, as well as nutrition lessons.

Healthy U will be open to children ages 3 to 12 enrolled in YMCA after-school programs. Healthy U has three distinct components: physical education, nutrition education, and parental involvement.

- The physical education component is evidence-based and incorporates fun fitness activities.
- The nutrition education component teaches children how to identify, adopt, and practice healthy eating habits.
- Parents will be informed of the program's objectives and will be encouraged to support their child's participation.

About Childhood Obesity:

- Almost one-third of all children ages 6 to 19 are considered overweight or at risk for being overweight.
- Studies show that as a result of diseases related to being overweight, children today may not live as long as their parents.
- Being overweight negatively affects children's relationships with their peers.
- Obesity is associated with diseases such as type 2 diabetes, heart disease, stroke, high blood pressure, depression, breast cancer and arthritis.

Reebok (BOKS):

Building Our Kids' Success, or BOKS, encourages children to be the best they can be at fundamental gym concepts such as running, planks, and sit-ups. This Reebok program is designed to give kids a body and brain boost in the morning to set them up for a successful school day. Children may be running daily as part of the curriculum.

Sanford Harmony

Sanford Harmony incorporates multiple methods to teach positive relationships and create an inclusive classroom environment. A multi-layered approach is necessary to build a mutually respectful learning community.

Snack

A healthy snack will be provided daily. If your child has food allergies, please make sure that you let the Director or Coordinator know.

Attendance

Absence:

Please let us know in advance when your child will be absent from our program so we know not to expect them.

Sign In/Sign Out:

Your child must be signed in and out at drop off and pick up, indicating the time and signature. We will be utilizing the Remind App. Parents will text the site when they arrive for pick up, and we will bring the child out to them. Parents will not come in to the building.

Authorization on the Release of Children

We will not release a child to anyone NOT on the emergency form or authorized by the parent. A child will not be released to anyone under the age of 18. We will ID anyone we do not recognize, therefore if you have someone picking up your child make sure they have photo ID with them. If there is someone prohibited from picking up your child, we must have legal documents stating the restrictions. Parents must inform the Site Coordinator or call the Child Care Annex for any changes in the authorized pick-up persons.

Late Pick-up Fee

The fee for late pick-up after the end of enrolled session, is \$1.00 per minute, per child, to pay at the YMCA within a week of the charge.

Late Pick up Procedure

The YMCA will be following the State requirements (10:122-6.5) for child left after closing. Procedures to be followed by staff member(s) if the parent(s) or person(s) authorized by the parent(s), as specified fails to pick-up a child at the time of the center's daily closing, shall require that:

The child is supervised at all times: Staff members attempt to contact the parent(s) or person(s) authorized by the parent(s); an hour or more after closing time, provided that other arrangements for releasing the child to his or her parent(s) or authorized person(s) have failed, and the staff members(s) cannot continue to supervise the child at the center, the staff member shall call the Division's 24 hours Child Abuse Hotline (1-800-792-8610) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) or person(s) can be contacted.

Refusal of Release

The YMCA will be following the State requirements (10:122-6.5) for release of children to impaired adults. Procedures to be followed by a staff member(s) if the parent(s) or person(s) authorized by the parent(s), as specified appear to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk or harm if released to such an individual, shall require that:

- The child may not be released to such an impaired individual
- Staff members attempt to contact the child's other parent or alternative person(s) authorized by the parent(s)
- If the Center is unable to make alternative arrangements, a staff member shall call the Division's 24 hours Child Abuse Hotline (1-800-792-8610) to seek assistance in caring for the child.

We treat these as "medications" and they can only be administered by the staff. They are not to be available to the child during the program. We need to avoid misuse and "sharing".

***Please check with the Site Coordinator if you are unsure of which medications require a parent and doctor's note to be administered:**

We try very hard to minimize infections and control the spread of disease with by encouraging and supervising hand washing with children before meals and after toileting, and after being outside of the classroom.

Emergencies

The Site Coordinator will treat medical emergencies – minor injuries (i.e. - scrapes, cuts, bug bites and illness). If the injury or illness needs further treatment, the Site Coordinator will contact you. We will make every effort to reach you or the contacts listed on your registration form. If no one can be reached, we will take the necessary actions for the health of your child. **Be sure emergency phone numbers are up-to-date.** If your schedule changes daily, please provide temporary numbers to the Site Coordinator.

If emergency medical care is necessary, any of the following steps might be taken:

Attempt to contact parent or guardian.

2. Attempt to contact person on the emergency form
3. An ambulance or paramedics may be summoned.

Miscellaneous

Cell Phones/Toys

Cell phones and toys from home are not allowed in our program and we will not be held liable for loss, theft, or breakage. At no time are guns, weapons or toys with sharp edges allowed. Please leave cell phones and toys at home.

Financial Assistance – Y Cares

The Cumberland Cape Atlantic YMCA believes that no one should be denied a place in a YMCA program because of inability to pay. Financial assistance is provided to those who qualify through donations to our Annual Giving Campaign. Proof of financial need is required. Financial Aid Applications are available at the Member Service Desk.

YMCA Annual Giving

Y Cares Financial assistance bridges the gap between what someone can afford and the full cost. It requires an application to verify need and it requires some financial commitment by the recipient. The Annual Giving Campaign raises funds through donations of Y staff, Board of Directors and community members. Applications for Before & After Care may only be processed if the student has been denied assistance from Rutgers.
