Parent Statement of Understanding

The following information is important for the safety and protection of your child. Please read the information, sign this form, and return the original to the Cumberland Cape Atlantic YMCA (CCA YMCA). A copy will be filed with your child's records.

- I understand that CCA YMCA staff and volunteers are not allowed to baby-sit or transport children at any time outside the CCA YMCA program. If a violation is discovered, the Y will take immediate disciplinary action toward staff and/or volunteers.
- I understand that staff and volunteers are not allowed to initiate contact with members and program participants outside the CCA YMCA, unless necessary in certain limited cases for the smooth operation of a CCA YMCA program. If deemed necessary, contact should be made with the program participant's parent or guardian. Contact includes, but is not limited to, sharing of phone numbers, email addresses, personal websites and/or web logs. If a violation is discovered, the Y will take immediate disciplinary action toward staff and/or volunteers.
- I understand that I am not to leave my child* at the CCA YMCA or program site unless a CCA YMCA staff or volunteer is there to receive and supervise my child. I understand that my child must be escorted to and from the program area by me or another person on my authorized list. Children may not just be dropped off at the door. *Note: The CCA YMCA's policy is that children under the age of 12 may not be alone in our facilities/program sites.
- I understand children should not receive excessive gifts (e.g. toys, video games, jewelry) from CCA YMCA staff or volunteers, and I should report this to a supervisor if they do.
- I understand that my child will not be allowed to leave the program with an unauthorized person. Any person authorized to pick up my child, including relatives, must be listed with CCA YMCA and **must be at least 18 years of age required by the CCA YMCA**. Any other alternate pick-up arrangements must be made in writing by a parent/guardian. Phone notification of an alternate pick-up arrangement is only accepted in an emergency.
- I understand that should a person arrive to pick up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in a position where they have to make this judgment call.
- I understand that I can help ensure my child's safety by taking an active interest in his or her CCA YMCA experience. I too will monitor volunteer and staff interactions with my child and ask my child specific questions about program activities and volunteer or staff relationships with my child.
- I understand that the CCA YMCA is mandated by state law to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
- I have received a copy of the CCA YMCA Youth Program Handbook and/or Program Policies and Procedures and will keep it for future reference.

The WIC box needs to be checked only if this form is being sent to the WIC office. WIC is a supplemental nutrition program for Women, Infants and Children that provides nutritious foods, nutrition counseling, health care referrals and breast feeding support to income eligible families. For more information about WIC in your area call 1-800-328-3838.

Section 2 - Health Care Provider

1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema; asthma medications for wheezing etc.)

- **Weight** - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
- **Height** - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.

- **Blood Pressure** - Only enter if the child is 3 years or older.

2. **Immunization** - A copy of an immunization record may be copied and attached. If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4860. The Immunization record must be attached for the form to be valid.

- "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.

b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

e. **Allergies/Sensitivities** - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.
