## FROM THE DESK OF MS. TORRIE

Greetings Y families, We have less than four full months of school left! This school year has gone by quickly. As the weather gets warmer the school sites will be spending more time outside for healthy fitness, please ensure your child is prepared. We are pleased to announce our partnership with AT & T in bringing the Achievery program to the Before & After care Program. Only a select number of YMCA's received this privilege. This program rolled out January 2025. It will supplement our current curriculum and bring more aftercare assistance on a digital platform. Achievery will aid the program, students and families with homework and bridge more support.
