MVP Special Needs Co-Ed Basketball Program

Fall I | November 5 - December 10

This **6 week program** is open to children with special needs. Our curriculum will consist of **3 weeks of learning the fundamentals of basketball**, and then the following **3 weeks will consist of performing different exercises to promote physical activity**.

All activities will be held here at the YMCA, and will be led by our experienced youth sports team. All activities will be geared towards improving coordination and motor skills

Our MVP Special Needs Programs for Youth with Special Needs are done in partnership with the Vineland Rotary Club
