

SUMMER CAMP PARENT AGREEMENT

- Pick Up and Drop Off – Parents must follow the direction of the staff and signs and arrive at their assigned times. This is to ensure that we do not have groups waiting and to limit exposure. Please provide a week’s notice if you need to change your times.
- Day Camp check-in will be conducted from vehicles. Parents will be provided with an identification card that must be visible in their front window. This will identify cars so counselors know where to direct cars & will serve as pick-up authorization for the end of the day. If the card cannot be produced at check-out, and/or the staff do not recognize the person picking up the staff will ask for a photo ID.
- Parents will not get out of the car and wear a face covering during pick up and drop off
- Camper must wear a face covering during the camp day with the exception meal, nap, and swim times.
- Parents agree to answer Health Questions each morning about their child and their household with our staff
- Parents agree to have their child’s temperature taken and recorded each morning. Children will not be permitted to attend camp with a fever.
- Parents understand that if their child has a fever they can not stay and will need to leave with the parent
- Designate one or a few limited individuals for pick-up/drop-off who are not at higher risk for illness.
- Parent will talk to children about the importance of social distancing and parents will abide by 6 feet social distancing
- Expect sign in/drop off to be significantly different from in the past. Plan on waiting a few minutes.
- Minimize goodbye times to allow for the continual flow of traffic.
- When waiting in the car line, use your hazards so other cars know to navigate around or wait behind you.
- The speed limit at camp is 5 mph. Carefully navigate around other cars.
- Do not bring pets to camp. You will not be permitted to walk them while here.

- Parent understands that their child will need a water bottle labeled with their name. Children will be permitted to refill their water bottle at our water dispenser fountain but will not be permitted to drink directly from the fountain.
- Children should bring a towel with them every day so they have something to sit on when they are outside on the grass.
- No outside food or food items being dropped off.
- Handwashing will be encouraged and enforced frequently throughout the day.
- Facility, materials and activity equipment will be cleaning and sanitized frequently throughout the day. Parents will need to wash their child's camp items daily including sheets for our Mini Me campers.
- Child must wear bathing suits under their clothes to camp
- Children will be kept in small groups with a counselor 1:10 (1 adult to 10 children) for children ages 5 and up and 1:7 for 3 to 4 year olds. Groups will not intermix due to health concerns and to avoid additional potential exposure
- No visitors or parents will be permitted on camp grounds or in the YMCA
- If your child becomes sick, refuses to wear a mask, or needs to go home for the day for any reason someone on the approved pick up list must pick them up from 30 minutes of the call placed. Camp staff will call and leave messages for everyone on the contact list but the 30 minutes start from the moment the call or voicemail is left with the first person. Failure to pick up could result in further time away from camp.
- If you need to pick up your children earlier (ie for a doctor's appointment). Please be sure to contact the Camp Director 2 hours prior to your arrival.
- Parents must sign a Release of Liability waiver.

Inability to abide by these procedures will result in your child being removed from the summer camp.
