

EXTENDING A HELPING HAND

2026 Annual Giving Campaign

Cumberland Cape Atlantic YMCA

MESSAGE FROM OUR BOARD PAST PRESIDENT LOU TRAMONTANA, JR.

As the Past Chair of the Board of Directors at the Cumberland Cape Atlantic YMCA, it is my honor to share the importance of this year's Annual Giving Campaign and invite you to join us in continuing a legacy that has enriched our community for generations.

For decades, the Y has been the cornerstone of growth, connection, and opportunity in our community. Since its inception, it has served as more than just a gym and pool—it has been a place where

people of all ages and backgrounds come together to improve their health, nurture their potential, and build lifelong friendships.

From youth sports leagues to swim lessons, fitness programs to senior activities, the YMCA has consistently provided opportunities for all. Most importantly, our organization is committed to ensuring that financial hardship is never a barrier to access. Through our **Annual Giving Campaign**, we make it possible for children, families, and individuals to participate in programs that promote healthy living, personal growth, and community engagement.

This mission is rooted in the rich history of the Cumberland Cape Atlantic YMCA. Generations ago, our founders envisioned a space where everyone—regardless of their circumstances—could find support and empowerment. Today, we remain steadfast in that vision, but we can only succeed with your help.

Every dollar you give makes a real difference in the lives of those we serve. Last year alone, we raised over \$110,000 which provided scholarships to children to attend summer camp, learn new skills, and build lasting memories. Our YMCA also provides a supportive community environment where seniors can gather in a safe and inviting space to remain social and active, while also ensuring families are able to stay healthy and united, even during challenging times.

Please join us in carrying forward the legacy of the Cumberland Cape Atlantic YMCA!
