WELCOME TO YMCA SUMMER CAMP!

Dear Program Participants and Parents,

Thank you for enrolling your child into the Cumberland Cape Atlantic YMCA's Summer Camp Program. The entire YMCA staff would like to welcome you to our program. Each of us hopes your child's experience with us is a positive one. We all share a common goal – to provide a safe, trusting atmosphere in which your children can grow, develop new interests and friendships, and have FUN.

Summer Camp is one of the few times kids have to be KIDS! This summer our goal is to teach your children new skills, like swimming, while also instilling in them our character traits, respect, responsibility, caring and honesty. We are also working hard to enrich your child's summer with educational opportunities to close the achievement gap created by summer learning loss. This summer at the end of the camp day expect your child to be messy and tired because we have a lot of fun things planned!

The policies outlined in this handbook are what you may expect from the program and what our team members expect from program participants and their parents. In order for your child to have a positive experience in our program, parents and staff must work together. We hope you find this handbook to be helpful.

Your involvement as a parent/caregiver in the program is extremely important for our continued success. It is important to keep in touch with the staff after your child(ren) begin participating and to stay informed about their time at the program. We will sometimes be contacting you through email and/or phone. Please make sure you keep the YMCA updated with all your current contact information.

We are excited that you have selected to spend your summer with us! Please do not hesitate to call if you have questions, comments, or suggestions.

Follow us on Facebook, Twitter, and Pinterest! Look for your camper throughout the summer!

The YMCA Mission Statement

We are a nonprofit charitable organization that is part of a worldwide association based on Christian principles, inclusive of all people, dedicated to fostering opportunities for all individuals, families and communities through programs that build healthy spirit, mind, and body for all.

Our History

For over 90 years, the YMCA of Vineland has been and always will be dedicated to building healthy, confident, connected and secure children, adults, families and communities. The YMCA of Vineland was established in 1927. In 1970, the facility was expanded to include Child Care Services. In 1980, we changed our name to Cumberland Cape Atlantic YMCA to include our surrounding areas. In the 2018-2019 school year, our child care program served over 1000 children monthly. Children from 3 to 15 years old are enrolled in our preschool and before and after school program. We also provide child watch services to our members while they workout. Our Youth Sports program has continued to be successful. Our summer Day Camp programs provide services to over 350 children ages 3 to 15 years old. Our CIT program will engage children 15-17 years old.

A FOCUS ON YOUTH DEVELOPMENT

Today, day camp is more vital than ever. To deliver on the Y's commitment to nurture the potential of every child and teen, day camp programs now more intentionally foster achievement, relationships, and belonging. Achievement, relationships, and belonging are essential dimensions of well-being that the Y can cultivate through day camp:

- ❖ Discovering skills (achievement). Campers experience achievement when they try different activities, learn what they like, and discover what they are good at.
- ❖ Building friendships (relationships). Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.

- ❖ Finding a place to belong (belonging). Campers connect through significant camp traditions and rituals that create a sense of belonging, so they feel included, accepted, and part of a community. With this emphasis on achievement, relationships, and belonging, day camp at the Y is more than a mechanism for keeping kids busy during the summer; it is an opportunity to intentionally develop youth.

PROGRAM GOALS

In our summer camp program, it is our goal to instill in your children Improved and Sustained Character, so they learn to accept and demonstrate the YMCA's core values of **Honesty**, **Respect**, **Responsibility**, and **Caring**.

- ❖ Appreciation of Diversity – Respect people of different ages, abilities, incomes, races, religions, cultures, and beliefs. Reflect the diversity of our community.
- ❖ Enhance Social and Leadership Skills – Experience leadership development through service to the community.
- ❖ Increase Learning and Education – Acquire new knowledge and build skills, increasing motivation to learn.
- ❖ Better Health and Well-being – Improve and increase physical activity and practice healthy eating habits.
- ❖ Authentic Relationships and a Sense of Belonging – Learn to care about, communicate, and cooperate with peers and adults.
- ❖ Sense of Hope and Purpose – Develop positive self-awareness and confidence in abilities. Feel secure and be willing to explore and engage with the world around them.

Business Policies and Procedures

YMCA Membership

To attend summer camp, each child must be at least a program member of the Cumberland Cape Atlantic YMCA. The cost for program membership is \$30 per child for the year. If you have multiple children, a family program membership is \$55 for the year (adults can be added too!). This membership enables you to also take classes and/or programs offered by the Y, such as swim lessons or youth sports, at the program member fee. The yearly fee carries over to the school year for our before and after school programs. If you are currently a program member, please check if your renewal date falls over the course of the summer. We also offer great family monthly rates so everyone can enjoy the Y!

Registration

Completed registration forms can be returned directly to the Member Service Desk at the Y. The YMCA is located at 1159 E. Landis Avenue, Vineland, NJ 08360. **At this time, all paperwork and any deposits to hold a week at camp are due. New registration forms must be completely filled out, signed, and turned into the YMCA by 1:00pm the Wednesday prior to the first session the camper is attending.**

Schedule of Fees

Payments are due the Wednesday the week prior to the camp week your child is attending.

Deposits

A **\$20.00 deposit** is due at registration for each week. The deposit must be paid at the time of registration along with all before and after care fees. Deposits and before and after fees are non-refundable and non-transferable.

Late Payment Fees

Late payments jeopardize your child's space in camp. If we do not receive payments by the due date we may offer the spot to someone on the wait list. **A late fee of \$20.00 will be charged for all late payments made after the Wednesday prior. If you sign up late, camp requires 24 hours following registration to process paperwork and to ensure proper staffing ratios before your child may start.**

Session Changes

There is a **\$5.00** fee that will be charged for changes in camp sessions. If the change is after the payment due date then the fee will be **\$10.00**.

Credit/Refunds

Payments for camp are non-refundable. A credit will be considered for medical reasons and a doctor's note will be mandatory. Because we are a licensed center, we are required to engage staff based on the number of children enrolled. We cannot give tuition refunds for the days your child is absent.

Business Policies and Procedures (continued)

Making Payments

We accept cash, checks, and all major debit and credit cards. Payments may be made at the Y or by calling the Member Service Desk to make a payment over the phone, 856-691-0030. Payments may also be mailed to the Y (address is listed on page 3). Please do not mail cash; checks should be made payable to "CCA YMCA" and include your child's name, the name of the camp, and what camp week the payment is for. The first payment must be made in person when registering for the program. NO payments will be taken at the Camp Sites.

Financial Assistance

The Cumberland Cape Atlantic YMCA believes that no one should be denied a place in a Y program. We understand the scheduling and economic pressures which are influencing family decisions. As many members and participants can tell you, the value of the YMCA extends well beyond our doors. In these uncertain times, we make assistance available to you and your family. We do not want anyone to be turned away and this program will help you and your family take part in the Y programs within our available resources. Applications can be picked up at the Member Service Desk.

PROGRAM INFORMATION (Continued)

Camper Check-in and Health Screening Procedures

Check-in guidelines will be explained to parents prior at the start of programs to clearly outline expectations. This will be done outside as they drive up.

- Designate one or a few limited individuals for pick-up/drop-off who are not at higher risk for illness.
- Arrive at your designated drop off time with both you and your child wearing face coverings.
- Parents are to remain in their car for pick-up and drop-off. Your child will be brought to and from the vehicle. **Parents are not permitted to leave the car.**
- Expect sign in/drop off to be significantly different from in the past. Plan on waiting a few minutes.
- Minimize goodbye times to allow for the continual flow of traffic.
- When waiting in the car line, use your hazards so other cars know to navigate around or wait behind you.
- The speed limit at camp is 5 mph. Carefully navigate around other cars.

Check-in staff will be wearing cloth face coverings and will approach the car from the building. Parents and campers must be wearing a cloth face covering and will not handle iPad or stylus.

Check-in will be conducted from vehicles. Each day, check-in staff will take the children's temperature and ask COVID-19 screening questions to the parents, which will be logged and kept confidential:

- *Have you been in close contact with anyone who has been diagnosed with, tested for, or quarantined as a result of COVID-19?*
- *Have you traveled nationally or internationally within the last two weeks?*
- *Have you been experiencing any COVID-19 symptoms within the last two weeks?*

If any of these questions are answered yes, or the child has a temperature, the child will not be accepted into the program and will need to go home.

SWIPING DURING CHECK IN AND CHECK OUT

Swiping has been discontinued until further notice due to Covid.

Drop-Off

Following this initial screening, child will be removed from the car and taken to their group location. Children will put down their belongings and wash/or sanitize their hands. Children will not be permitted to visit other groups or friends in the children, except when appropriate, though this rule may be lifted as New Jersey moves through the stages of opening and group sizes are increased.

Belongings will be stored near these locations, separated from each other.

Staff will be checked in each morning by a Designee from Members Services or at the Site. They will be asked the COVID-19 screening questions and their temperature will be taken. Information will be logged and kept confidential.

Anyone failing the COVID-19 screening will not be admitted to the program. Children and staff must be symptom-free for 48 hours, cleared by a doctor, or have a negative test result in order to return.

If a parent is prohibited from picking up your child, we must have legal documents stating the restrictions or custody arrangements. Parents must inform the staff or Camp Director the day before of any changes in the authorized pick-up persons. **We will not allow a child to return the day after they were sent home. When they return, we must receive a note from your health care professional stating the diagnosis, if appropriate, that your child is not contagious and/or that your child may return to the program.

Lice

The Cumberland Cape Atlantic YMCA programs are lice, nit and egg free environments. Children that have head lice, nits or eggs will not be permitted to attend the program until the condition is completely remediated.

Medication:

It is best for the parents to dispense medication either before or after their child is in at camp. We ask that you mention to your health care professional that the child is in camp and ask him/her to prescribe medications that can be given twice or three times a day if possible.

We will dispense medication if it is necessary and prudent and is indicated during the time the child is in care. Any medication which needs to be administered should be brought to the Camp Director. The INDIVIDUAL MEDICATION RECORD AND PERMISSION FORM must be completed by the parent. Prescription medication must be in the original labeled bottle with your child's name on it.

All medications will be kept away from the children and in the counselor's control. This includes "innocuous" over the counter products such as:

- Cough Drops
- Saline nose sprays
- Sunscreen

We treat these as "medications" and they can only be administered by the counselor. They are not to be available to the child during the program. We need to avoid misuse and "sharing". Example: Sunscreen should not be in children's bags, it must be turned in to counselor with medical form.

***Please check with the Camp Director if you are unsure of which medications require a parent and doctor's note to be administered.**

We try very hard to minimize infections and control the spread of disease with by encouraging and supervising hand washing with children before meals and after toileting, and after being outside.

Medical Policies (Continued)

Special Medical Needs

Special medical needs include conditions that require special medications, practices, or treatments prescribed by a physician to maintain the individual’s capability to participate in the camp program. This can include severe allergies and behavioral issues that require medication and/or special diets, etc. We will work with the camper and the family to make the best camp day possible. Each child and each disability is different. We will work with every family to accommodate their camper as long as we are equipped to handle the condition and being in the camp will be beneficial to the camper, the family, and the other children.

Emergencies

All camp staff will treat medical emergencies – minor injuries (i.e. - scrapes, cuts, bug bites and illness). If the injury or illness needs further treatment, the camp staff will contact you. We will make every effort to reach you or the contacts listed on your registration form. If no one can be reached, we will take the necessary actions for the health of your child. **Be sure emergency phone numbers are up-to-date.** If your schedule changes daily, please provide temporary numbers to the camp staff.

If emergency medical care is necessary, any of the following steps might be taken:

1. Attempt to contact parent or guardian
2. Attempt to contact person on the emergency form
3. Take child to hospital if no responsible person can be reached.
4. An ambulance or paramedics may be summoned.

Schedule of Expulsion

If after the remedial actions above have been exhausted, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior that warrants a suspension/expulsion. A suspension action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the program.

- The parent/guardian will be informed regarding the length of the suspension period (1-3 days)

- The parent /guardian will be informed about the expected behavioral changes required in order for the child or parent to return to camp
- The parent/guardian will be given a specific expulsion date that allows the parent an adequate amount of time to seek alternate child care(approximately one to two week notice depending on risk to other children welfare or safety)
- Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center

Payment for suspended or expelled camp days are non-refundable.

Immediate Suspension/Expulsion

For instances involving any violence and threats, **immediate suspension*** will occur without warning.

The following behavior is considered unacceptable:

- Abusive language, Fighting, Dangerous activity, Theft, Physical and verbal abuse of children or staff, Vandalism/mistreatment of property
 - Possession of illegal substances or weapons
- *NOTE:** Suspension length to be determined by Director, based on severity of situation.

If a child has a persistent behavior problem and the counselors have exhausted all alternatives, a parent conference will become necessary. If it is determined that the child is disrupting the program and/or endangering the safety of other children, the YMCA of Vineland reserves the right to dismiss the child from the program.

Immediate dismissal from the program will result for the threat of physical harm to a child, staff member, or director.

The YMCA takes pride in providing a safe environment for children and will not tolerate physical threats.

- Failure to pay
- Failure to complete required paperwork
- Constant tardiness when picking up child(ren) and dropping off
- Physical or verbal abuse and threats to staff and/or program participants
- Inappropriate language used towards staff or in front of children

Program Specifics

Swimming

All swimming is under the supervision of certified lifeguards. All campers are water-safety tested on their first day of camp. They will receive colored wristbands denoting that they have been tested. All campers will be encouraged to participate in recreational swim. Swimmers with long hair must tie it back with a hair tie. Children may not swim with open wounds or within seven days of an intestinal illness. Silly bands, rubber band bracelets and beaded jewelry are not permitted in the pool. Children with beaded hair should have their hair in a swim cap (this could damage the filtration system). Swimming is encouraged since we teach lesson for a portion of each swim time. Lessons makes it safer for your children when they are in or around bodies of water because it gives both themselves and us confidence that they know the swimming basics.

Boating

Boating is also conducted under the supervision of certified lifeguards. All campers are given boating instruction and must pass the PFD (personal flotation device/lifejacket) test before they are allowed out on the waterfront.

Swimming and Boating at Merrywood

For safety reasons if you do not participate in swim lessons, then you are not eligible to boat. If you do not attempt to boat or ride with someone then you will not be able to take part in the recreational part of swimming. When children sit out during these activities, they must sit out on the beach where the lifeguards are visibly able to see them to count and keep them into ratio. This now makes it hard for staff and lifeguards to watch children in the water and those who choose to sit out. So we encourage all campers to take part in the waterfront activities.

Healthy U

The Healthy U program uses the CATCH curriculum, which offers games that provide at least 30 minutes of physical activity per session, as well as nutrition lessons. We will be using the CATCH program throughout the summer. The YMCA believes in providing campers with physical activities through the day to help prevent childhood obesity.

BOKS – Building Our Kids’ Success

The BOKS program encourages children to achieve their personal best at fundamental gym concepts such as running, planks, and sit-ups. It even includes a small nutritional bit that stresses that what we put into our bodies directly correlates to what we get out of our bodies.

Summer Enrichment

The YMCA recognizes summer learning loss and to help with this issue, we provide enrichment activities throughout the summer camp program. We use science curriculum that aligns with the common core standards. We also encourage reading in the program by setting aside time each day for our campers to read. Children are encouraged to bring their own book or we will provide one. Campers are responsible for their books as well as all their belongings.

Parental Engagement

Parent Surveys

Camp staff will hand out weekly parent surveys. Please take the time to fill them out. We use the information to improve our program.

Parent Communications

Please follow us on social media like Twitter and Facebook. Also download the app Remind to receive alerts about things going on throughout the day for your child’s specific camp. The app will also allow us to let you know if we change the pick-up area. The specific code to join will be given out on the first day of camp!
